Patty, Jim, & Bob

This is in response to your request for an extension of the 14 day deadline to initiate dispute resolution on the SLERA comments. We will approve an extension of the deadline to February 29, 2008. EPA also intends to extend the deadline for the remaining portions of EPA's comments, and will establish the revised deadline for those portions in our transmittal letter on those comments. Also, we will follow up with a letter response to confirm this email.

Lori,

Attached is a second request for extension. As I think Bob discussed with Chip and Eric, it would be great if we could agree on a single extension for EPA's comprehensive set of comments on the Round 2 Report, which is being delivered in multiple parts.

We look forward to EPA's response.

Thank you,  
Patty
